

## Research Seminar and CATALIGHT Invited Talks

### Summer Term 2023

#### Venue Research Seminar

Ulm N24, Seminar Room 104  
 Mainz building 2.223, room 03-136 (coffee room Streb-Group)  
 Jena Lecture Hall, ZAF, Philosophenweg 7  
 Vienna TheoChem Library

#### Venue CATALIGHT Invited Talks

Ulm H1  
 Zoom Link via email and from internal website

**Schedule**      **Lunch break on all days 12:45 – 13:15 – finger food and drinks will be supplied**

<b>24.04.2023</b>	12:00 – 14:00	<b>A1 A4 B8</b> (chair: Andrea Pannwitz, Jasmin Finkelmeyer)
<b>08.05.2023</b>	12:00 – 14:00	<b>A5 C3 C5</b> (chair: Johannes Liessem, Lingli Ni)
<b>22.05.2023</b>	12:00 – 14:00	<b>B7 B9 B10</b> (chair: Sana Ullah, Wei Wang)
<b>25.05.2023</b>	16:15 – 17:30	<b>Prof. Eli Zysman-Coleman</b> – <i>New Frontiers in Photocatalyst Design and Photocatalysis</i> (CATALIGHT Invited Talk / GDCh Colloquium)
<b>05.06.2023</b>	12:00 – 14:00	<b>B4 B6 B11 C4</b> (chair: Daniel Kowalczyk, Marcel Langer)
<b>19.06.2023</b>	12:00 – 14:00	<b>B2 B3 Ö1</b> (chair: Riccarda Müller, David Hernández-Castillo)
<b>29.06.2023</b>	16.15 – 17:30	<b>Prof. Alexander Kuhn</b> – <i>Bipolar electrochemistry, from materials science to catalysis and beyond</i> (CATALIGHT Invited Talk / GDCh Colloquium)
<b>03.07.2023</b>	12:00 – 14:00	<b>A3 C2 C6</b> (chair: Nico Alleva, Tamar Maisuradze)

Research Seminar presentations should be around **12 minutes** and focus on ongoing work, unsolved issues, necessary measurements, collaborations etc. All PhDs and Postdocs should be present; participation of PIs is highly welcome. The projects individually decide on the presenter.

The session chair welcomes everyone to the seminar, keeps a strict eye on the time, moderates the questions after each talk, determines the time for reconvention after the lunch break and closes the session.
